Razorpay

Razorpay is the only payments solution in India that allows businesses to accept, process and disburse payments with its product suite. It gives you access to all payment modes including credit card, debit card, netbanking, UPI and popular wallets including jioMoney, MobiKwik, Airtel Money, FreeCharge, Ola Money and PayZapp.

RazorpayX supercharges your business banking experience, bringing effectiveness, efficiency, and excellence to all financial processes. With RazorpayX, businesses can get access to fully-functional current accounts, supercharge their payouts and automate payroll compliance.

Manage your marketplace, automate bank transfers, collect recurring payments, share invoices with customers and avail working capital loans - all from a single platform. Fast forward your business with Razorpay.

Disclaimer: The RazorpayX powered Current Account and VISA corporate credit card are provided by RBI licensed banks. Your RazorpayX powered account is provided by our partner bank, in accordance with RBI regulations. RazorpayX itself is not a bank and doesn't hold or claim to hold a banking license.
